

U3A Swansea Leisurely Cycling programme

December 2017 to May 2018

The group aims to provide pleasant, easy cycle rides in and around Swansea. We want you to enjoy the health benefits of cycling in the great outdoors and in a fun setting. These are sociable rides with at least one refreshment stop, and most have options for a longer or shorter ride. This has worked well; however if there is a demand more adventurous rides can be arranged.

The rides normally start at 10.00 am. They are generally on the last Monday in the month, but because the date has sometimes to be changed at short notice I will confirm a day or two before. (Newcomers to these rides please ensure that I have the means of contacting you.) With two leaders for most rides this provides flexibility, enabling the group to divide into shorter and longer options if that is their wish. Details as follows:

Start/finish and pick up points (GR = Grid Ref.; all on OS 1:50,000 map 159.)

Railway Inn, Killay. (GR: 598924) [RI].

Sail Bridge. (GR: 663929) [SB].

Community Centre, Cwmafan (GR:784922) [CA].

Bynea car park: B4297 opp. Yspitty Rd (GR:555984) [BN].

Notation for table: [] = distance; eg [RI: 20] means 20 miles from and back to the Railway Inn.

Let me know if you intend to ride. David will attempt to keep this programme up to date so check www.wheelrights.org.uk/events.htm the night before for cancellations/changes.

Distances are approximate and actual mileage will depend on decisions made on the day to reflect the group's wishes. Bring appropriate clothing. And water.

Ensure that your bike is in good working order and bring a spare inner tube plus the means to remove wheel and tyre.

I look forward to some happy pedalling. With best wishes,

Pete Clarke
