

A quiet street in Germany

Wheelrights

invites you to their AGM at:

7.00 pm on Wednesday, 28 November in the
Environment Centre, Pier St., Swansea SA1 1RY

when a talk on

Quiet Streets

will be given by

Ryland Jones

(Sustrans Head of Built Environment)

There will then be a tea break followed by the

AGM business

‘Quiet Streets’ is a term defined in the *Active Travel Act Design Guidance* document as applying to “urban cycling routes on low traffic speed and volume back streets, which are particularly suitable for new and less confident cyclists.”
